**DATE & PLACE OF BIRTH:**

June 19, 1948 San Diego, California

**EDUCATION:**

1997-1999 PhD studies: Calif. College, Med. Education

1996-1997: USC Graduate School- Biokinesiology Dept.  
Research interest: Charcot Arthropathy12/86 Bachelor of Science, CSU Dominguez Hills, CA  
Health Science: Orthotics and Prosthetics02/71 Bachelor of Arts, University of Southern California  
Psychology / Public RelationsOther Univ.: University of Redlands, Redlands, CA 1967-69.  
Major in Biology/Geology. Tsfr to USC, LA**PROFESSIONAL CAREER POSITION: CLINICAL SPECIALIST**

As a Clinical Specialist, my responsibility is to provide safe, non-invasive, preventive and rehabilitative care on a continual basis. The care includes evaluation, documentation, and reassessment in compliance with standards of care and institution policy. The Clinical Specialist and staff maintain professional relationships with the patient (including family) and hospital personnel, abiding by the codes of ethical conduct. The Clinical Specialist maintains skills and knowledge levels through literature, continuing education and other available sources. As part of this responsibility, in-service and educational opportunities are provided to all medical professionals and supporting allied health disciplines. Services performed will be under the direction of physicians and by prescription. If there is concern or disagreement regarding protocol, the physicians and senior staff will be contacted before treatment is initiated.

**COURSES FOR ADVANCED EDUCATION:**

- 11/84 AAOP "Manual Muscle Testing", 2 day Orthopedic Hspt, LA
- 09/85 RESNA "Seating for Children", "Designing for People with Disabilities", 2 day Memphis, Tennessee
- 03/86 PT Association " The Art of Writing Successful R&D Proposals". 2 day Anaheim, CA
- 10/87 U.S. Dept. of Health and Human Services, "Management of the Insensitive Foot" 7 day National Hansen's Disease Center, Carville, Louisiana
- 10/89 PFA "Pedorthic Management of the Arthritic Foot", 3 day St. Louis, MO
- 12/89 AAOP "Charleston Bending Brace", 1 day Brea, CA
- 01/90 AAOP "USMC Technical Workshop- Advanced O&P", 1 day Brea, CA
- 02/90 Camp "Institute for Applied Technology"- 3 day Cert #5839 San Francisco, CA
- 09/90 L.A. County American Diabetes Association Professional Association "New Frontier of the Care of Diabetic Foot Ulcers", David Knighton, MD; 1 day Good Samaritan Hospital, LA, CA
- 10/90 L.A. County Medical Association "Aids in the 90's: A Course for Primary Care Physicians", 1 day L.A., CA
- 09/91 PFA "Pedorthic Management of the Foot -OST" 5 day Ball State University, Muncie, Indiana
- 05/92 AOFAS "Complete Foot Care", American Orthopedic Foot and Ankle Society, 4 day Hartford, Conn.
- 04/93 "How to Make Presentations with Confidence and Power", 1 day Las Vegas, Nevada.
- 06/93 "Advances in Diabetic Foot Care" Council on Foot Care. American Diabetes Association 53rd Annual Mtg. & Scientific Sess, 2 day June 11-12. Las Vegas.
- 03/95 "Locomotor Biomechanics and Applied Orthotic Therapy" American Physical Rehabilitation Network. March 30-April 2, 1995. Las Vegas, NV.
- 09/95 "Safety & Risk Management" Basic Laboratory Safety Training. University of Southern California. September 29, 1995.
- 04/96 "Sensors and Sensor Based Application" The Conference &

Exposition of Sensors and Systems. April 16-18, 1996, Anaheim, CA

06/96 "American Diabetes Association" 56th Annual Scientific Session. June 8-11, 1996, San Francisco, CA.

04/97 "Xdepth University" Course in Pedorthics. April 11-18, 1997. Milwaukee, Wisconsin.

05/97 "Reflexology Course HS626T" Nursing Education of America. 15 hour course.

06/97 "Surviving the Healthcare Enforcement Onslaught" California Law Monitor & Hooper, Lundy, and Bookman, Inc., June 12, 1997, Los Angeles, CA

09/97 "The current research on osteoporosis" USC School of Medicine. Los Angeles, CA. Sept. 27, 1997.

03/01 "Clinical Debridement Skills" 2 day hands on course, Educators 2000+. Los Angeles, CA. March 8 & 9, 2001

03/03 "Innovations and Treatment Strategies in Wound Management" 2.5 hour course in management of complicated wounds. Healthpoint, Inc. Santa Ana, CA March 5, 2003.

#### **BOARD CERTIFICATION HISTORY:**

California Board of Registered Nursing: Approved provider of continuing education CEP #13834.

"Clinical Debridement Skills Certification", Post-graduate certificate . Educators 2000 plus, LA, CA, March 8, 2001

American Board of Certification- Orthotics and Prosthetics: "Certified Orthotist" C.O #1815, April 1, 1989

Board for Certification in Pedorthics  
"Certified Pedorthist" C.Ped. #1119, April 14, 1993

Fellow of the American Academy of Orthotists and Prosthetists -  
 "Fellow of the Academy (**FAAOP**)" June 12, 2000.

Professional Development in *Gait and Pathomechanics*, American Academy of Orthotists & Prosthetists, 6/12/00

Professional Development in *Pediatric Patient*, American Academy of Orthotics and Prosthetics, 6/12/00

Professional Development in *O & P Management of the Geriatric Dysvascular / Diabetic Patient*. American Academy of Orthotists and Prosthetists, 6/12/00

**PRIVILEGE STATUS HISTORY:**

Kaiser Permanente, Baldwin Park

Caremore Medical Group

Downey Regional Medical Center

Casa Colina Rehabilitation Hospital

L.A. County Health Services  
 Martin Luther King Jr/Drew Medical Center  
 Olive View/UCLA Medical Center  
 Rancho Los Amigos Medical Center

Rancho Los Amigos Medical Center

USC University Hospital-1997-2000, Applied Health Prof. Staff

Orthopaedic Hospital, Volunteer - Research

**PROFESSIONAL WORK EXPERIENCE:**

10/03 Director: Institute of Health and Science: Health related instructional facility. Planning programs and Instructor.

7/99 - Present- Hands on Foot, Inc. Fed ID 95-4750089  
 P.O.Box 7674, La Verne, CA 91750. 909 596-7674. Education and product development research. Resale #SRAP97-667837

7/99 - 2007 - Cosmos Extremity, Inc. ID# 95-4750087  
 P.O.Box 7674 / 2076 Bonita Ave., La Verne, CA 91750  
 909 596-7674. Patient management. Resale #SRAP97-667827  
 Medicare # 1055780001

1998 - Present - Research and Education, Taryn Rose International, LLC. Research/Development - Luxury Shoe Line.  
 9625 Brighton Way, Beverly Hills, CA 90210

1998 - 1999 - Instructor with Wahl & Associates Inc.  
 "Optimizing Wound Healing to Decrease the Rate of Amputation"  
 8 hour course for wound related medical staff. Organized by Wahl & Assoc. Inc. 800 266-7257.

1995 - 1999 - Independent Contractor. Fed ID 55-4708503  
 Hands on Foot- Consultation , Education & Product Development  
 P.O. 7674, La Verne, CA 91750

1994 - Present- Expert witness services.

1990 - 1999 - Owner (Fed. ID# 95-4359746) Cosmos Extremity  
 2076 Bonita Ave.  
 La Verne, CA 91750  
 Medi-Cal GXC000660 Medicare 1055780001

1986-1997 Certified Orthotist for Ortho-Diabetes Service:Foot and  
 Amputee Clinics of Rancho Los Amigos Medical Center

1983 - Present - President, Principal Investigator  
 Biomedical Implant Research  
 Cosmos Commodity, Inc.(Fed ID# 731350450)  
 9400 North Broadway Ste 420  
 Oklahoma City, OK, 73114

1972 - 1983 Biomedical Marketing Manager  
 Konigsberg Instruments, Inc.  
 2000 E. Foothill Blvd. Pasadena, CA 91107

#### **CONSULTANT SERVICES:**

Practitioner Advisory Council: O&P Business News (06)

Kaiser Permanente - Orthopedic Dept., Baldwin Park, CA

Kaiser Permanente - Podiatry, Fontana, CA

Konigsberg Instruments, Inc., Pasadena, CA

Univ. of Oklahoma, Biomedical Science, OKC, OK

### **TEACHING AFFILIATIONS:**

Institute of Health and Science: Director and Lecturer.

Western University of Health Sciences: College of Applied Health Professions: Guest Lecturer.

Medical Residency Program - Ortho-Diabetes Service,  
Rancho Los Amigos Medical Center, MD / PT program  
Regular program 1987 to 1997.

Cal State University Dominguez Hills - Guest Lecturer

Rancho Los Amigos Certificate Program in Orthotics

### **PROFESSIONAL ORGANIZATIONS:**

Board Member: National Association of Certified Diabetic Footwear Specialists.

Federation of American Soc. for Experimental Biology

American Diabetes Association Professional Member #000582791

Foot Care Council, American Diabetes Association

Pedorthic Footwear Association

Board of Certification in Pedorthics

American Board of Certification in Orthotics and Prosthetics

American Orthotic and Prosthetic Association

La Verne Chamber of Commerce

American Academy of Wound Management

### **Patents**

12/88 United States Patent # 4,790,826 - Elftman "Percutaneous Access Port"

06/92 United States Patent #5,120,313 - Elftman "Method for

Measuring Blood Pressure in an Animal or Human Using a Percutaneous Access Port"

07/92 United States Patent Pending - Elftman "Variable Insole Shoe"

11/93 United States Patent #5,266,071 - Elftman "Method for Using Percutaneous Access Port in a Sexual Organ"

07/2000 United States Patent Application- Wound Healing System for use in the Wound Care Shoe System.

07/2002 China/US Patent- Hip leveler tool. Submitted 2002.

### **PROFESSIONAL ACTIVITIES /AWARDS**

04/85 "Percutaneous Access Port for Blood Pressure Measurement in Rats", Blood Pressure II Poster Session M-016, Federation of American Societies for Experimental Biology.

07/92 (90-91 Chairwoman) East San Gabriel Valley Chapter, American Diabetes Association

08/92 "Celebrate Rancho" Accomplishment Display

12/92 American Diabetes Association - Irvine, Ca  
Poster Session - Clinical Management

04/93 Poster A: Evaluation and Documentation. The 19th Academy Annual Meeting & Scientific Session. Las Vegas, NE. 2nd place

04/93 Poster B: Addressing Specific Requirements. The 19th Academy Annual Meeting and Scientific Session. Las Vegas, Nevada.

08/93 "Celebrate Rancho" Accomplishment Display

08/93 Poster "Managing the Neuropathic Limb". Celebrate Rancho.

09/93 "Healthy People 2000" National Institutes of Health:  
National Diabetes Advisory Board. Recommendation meeting for Department of Health and Human Services for 1994  
Congressional Report and establishing minimum standards of care.

09/93 American Academy of Orthotists & Prosthetists, Clinical Patient Care Video Series. "Management of the Neuropathic and Dysvascular Patient."

08/94 "Celebrate Rancho" Accomplishment Display

10/94 "Hands on Foot" Seminar. Program Coordinator for CME Cat 1

- seminar (3-day).
- 02/95 NSRA National Shoe Retailers Association Seminar. Flamingo Hilton. Las Vegas, Nevada
- 02/95 Western Shoe Association, Sands Convention Center, Las Vegas, Nevada.
- 05/95 "Pedorthic Management of Diabetic Foot Disorders". PFA Professional Development Program. Program Coordinator, Pomona, CA.
- 06/95 Research project "Reducing Shear Forces for the Neuropathic Foot with Sock Interface" Rancho Los Amigos Medical Center. Fenison, Elftman, Greenfield.
- 10/95 "Hands on Foot" Seminar. Program Coordinator for CME Cat 1 seminar (3-day).
- 10/95 Review of "Shoe Fit Concerns, Biomechanics, Oct.95, pg19
- 10/96 "Hands on Foot" Seminar. Program Coordinator for CME Cat 1 seminar (3-day).
- 10/96 "Shoe Fitting Seminar" Seminar for orthopedic shoe fitting. Pomona, Ca. Oct. 13,1996. Fitters and prescribing physicians.
- 11/96 "Podiatry Continuing Education" Seminar for podiatric group, Nov. 3, 1996
- 1997 Member of reviewer panel for the Biomechanics Desk Reference.
- 11/97 Bieze, Jordana. "Biographic information: Double Duty, Crosstraining isn't just for athletes" Biomechanics, November 1997. P 33-36.
- 3/98 Program Coordinator- Pedorthics supporting the walk of life- Orange, CA Mar.8, 1998.
- 04/99 Program Coordinator - Pedorthics in Wound Care: full day seminar for three locations, April, May and June 1999.
- 06/99 RESNA, Annual Symposium, Introducing new technology for research on upper extremity and lower extremity research protocols. Long Beach, CA, June 26, 27, 28 1999.
- 07/99 Tamarac Rehabilitation Technologies, Inc. Shear Guard Product Study. Three month study on non shear material 4/99 to 7/99.
- 08/00 "Defining the Neuropathic Limb" Primedia Workplace

- Learning. One hour video for satellite broadcast in November To 1500 medical facilities. First broadcast Nov 1-30, 2000.
- 08/00 "Care of the Neuropathic Ulcer" Primedia Workplace learning. One hour video for satellite broadcast in November to 1500 medical facilities. First broadcast Nov 1-30.
- 10/02 "Hands on Foot" 8.5hr hands on seminar for nursing, physical therapy and physicians. Mt. Shasta, CA October 27, 2002
- 03/03 "Living with Lupus" Symposium by National Lupus Foundation. Loma Linda University Medical Center, Loma Linda, CA 03/30/03.
- 04/03 "Neuropathy Overview" Interview of course by N. Elftman. Sunnyhills O&P Spring, 2003 issue.
- 02/07 Committee for assessment of new accreditation standards. American Board of Certification, Orthotics and Prosthetics. Feb.9-10, 2007
- 06/07 King's Diabetic Foot Master Class. King's College Hospital, London, England. 7 hour course. 6/29/07.
- 07/07 "Wound Care in the USA" Update on wound protocol in England. Mobilis Healthcare group. Oldham, England 7/03/07
- 08/07 "Hands on Foot" full day Category 1 course. 9.75 credits, Claremont, CA August 20, 2007.
- 09/07 "Management of the Neuropathic Limb" 9.75 credit course. Vadnais Heights, Minnesota, September 7, 2007
- 09/07 "Hands on Foot" full day Category 1 course. 9.75 credits, Claremont, CA. September 24, 2007.
- 11/07 "Hands on Foot" full day Category 1 course. 9.75 credits, Claremont, CA November 12, 2007.

## **GRANTS / RESEARCH / PRODUCT DEVELOPMENT AND EVALUATION**

1971 - 1985 Research and Development grants for implantable instrumentation for Department of Transportation, NIH, NASA Ames Research Center, New England Regional Primate Center, Brooks AFB, University of Texas, University of Oklahoma, and multiple State and Federal Research Institutions. Projects include penile implant, esophageal probe, temperature, pressure, accelerometer and flow telemetry.

09/86 National Institutes of Health: Approved & Funded "Access

Port for Percutaneous Monitoring of Small Animals" Grant #  
1R43 RR2560-01A1

- 09/86 Food and Drug Administration: Approved "Blood Pressure Monitoring of Small Animals"
- 10/87 UCO International- Development of low durometer metatarsal and scaphoid pads
- 01/88 Juzo International- Development of full foot graduated compression garments for the lower extremity.
- 03/88 Comfort Products- Diabetic socks, dressing covers, toe slugs.
- 08/89 Rancho Los Amigos Medical Center- "The use of pressure sensitive film to evaluate plantar skin pressure during ambulation" research project: McMahon, Elftman, Chambers
- 11/89 Knit-Rite- Partial foot socks
- 11/91 Rancho Los Amigos- "Rate of ulcer healing with the 'Orthotic Dynamic System Splint'", Elftman
- 06/95 Rancho Los Amigos Medical Center- "Reducing shear forces for the neuropathic foot with sock interface" Fenison, Elftman, Greenfield
- 04/95 - 11/96 "Role of Magnesium Depletion in Osteoporosis" Research at USC/Orthopaedic Hospital, Los Angeles, CA. Assisted in Research Project, including complete research protocol, surgical resection and tissue evaluation. Principle Investigator, Robert Rude, MD.
- 01/96 Orthopedic Hospital, Los Angeles- "Magnesium deficient diet- affect on bone growth. Jan 96 through July 1996. Principal Investigator, Robert Rude, MD, PhD.
- 02/96 - Lowell International- Depth sandle with orthosis well. Large girth strap extensions. Elftman, Barsorian.
- 09/96 National Institutes of Health "Footwear Development and Pilot Test Costs for Women's Footwear" - Member of Women's footwear Advisory Group.
- 02/98 Taryn Rose International- Full line of fashion comfort shoes for women.
- 08/99 Knit-Rite- Maceration-prevention toe socks
- 06/99 Tamarack Habilitation Technologies, Inc.- Evaluation of Shear Guard clinical application.

- 07/99 Darco International- Off-loading wound healing system for clinical application. Design, instructions for use and specific wound definition.
- 10/00 Hands-on instruction for wound healing shoe system. 15<sup>th</sup> Annual Clinical Symposium on Advances in Skin & Wound Care. Nashville, TN, October 5-8,2000.
- 07/01 Preparation of a grant to develop a co-op program for the loan of DME supplies. The rural communities will have access to borrow an insulin pump, as well as other supplies.
- 07/01 Assisting in a two day teaching program for the neuropathic limb in Mt. Shasta, CA in September
- 09/03 Hip leveling device to assess leg length discrepancy.
- 02/05 Consensus development conference on the diabetic foot. Chair for the CSOP 4 group to present the literature review For submission to U.S. Dept of education and publication in the Journal of Prosthetics and Orthotics.
